

LA 21 @ I - 12

St. Tammany Parish, Louisiana

Summary:

The interchange of LA 21 at Interstate 12 is an essential mobility link in the Covington/ Madisonville area of St. Tammany Parish. The project entails increasing the capacity and operating efficiency of US 21 and improving access to and from I-12. This area of St. Tammany Parish has seen significant growth over the last ten years, particularly after Hurricane Katrina. Final plans have been completed and the project is being readied for construction letting. The estimated cost of the project is \$10.0 Million.

Benefits:

- Improved Regional Transportation Mobility
- Enhanced Safety and Operating Efficiency
- Widespread Community Support for Construction
- "Shovel Ready" Expeditious Project Delivery
- Economic Development for the Parish ("Nor Du Lac" Lifestyle Center)
